Possible internship destinations in 2023-2024

Internships with companies or universities abroad are possible without an existing bilateral agreement with UHasselt. Students can make a proposal of an internship abroad or can contact the programme to go through the possible option together with the international Erasmus coordinator BMS.

In both cases, please contact prof. dr. Niels Hellings – niels.hellings@uhasselt.be.

Check [our google map](#) to find out where other students went abroad for an internship!
